DATE OF RELEASE: May 28, 2026
DEPARTMENT/BUREAU: Sanford sewer collection system
CONTACT PERSON: André Brousseau - Superintendent & Dan Davis- Foreman
TELEPHONE NUMBER: (207) 324-5313
MAILING ADDRESS: PO Box 70
Sanford, ME 04073

-
- The Sanford Sewerage District will hold an open house on June 11th to explain the sewer improvements slated for Cottage Street.
 - The project will start on July 6 and should be wrapped up by July 31, 2026.
 - The work location will be from the intersection of River St. and Cottage St. and end at the intersection of Cottage and June Street.
 - The work will require full road shutdown, meaning no flow through traffic during the daily shutdowns. Daily door hangers or personnel will be informing the residents and business owners of the affected areas for specific days.
 - Detour signs will be strategically set up throughout the area/city to inform the vehicle operators of the correct path to navigate around the construction area.
 - We plan to have personnel in the area while the project is taking place.
 - **IMPORTANT!** We do not anticipate affecting the sanitary services but please let us know if there are problems.
 - ***Sanford Sewerage District is interested in delivering the highest-quality infrastructure with the least disruption possible!***

If you have any questions, please call: Sanford Sewerage District (207) 324-5313
